

# THE NEWTONIAN

Newton High School— "Home of the Railroaders"

New Series XXXI

NEWTON, KANSAS, OCTOBER 30, 1959

Number 2

## Dr. Bob Myers Is School Board President

"It is the responsibility of the citizen to assume some of the responsibilities of the community," said Dr. Robert Myers, General Surgeon at Bethal Hospital. Dr. Myers is fulfilling his responsibility by serving his second term on the School Board, this year as President of the Board.

As Board President, his duties are to preside at all meetings and to call any special meetings that are necessary. He also signs all warrants and teachers payroll checks.

"Our purpose," said Dr. Myers, "as elected officials, is to carry out the administrative functions of the school." As President, he works closely with Mr. H. W. Scott, the Superintendent of schools.

Dr. Myers graduated from Kansas State Teachers College at Pittsburg with a Bachelor of Science degree and completed his pre-medical training. After graduation he taught at Chanute, Kansas. He married Miss Jo Lophan, who was also a teacher at Chanute at that time.

Then he attended Kansas University Medical school, graduating in 1943. He served his internship at the University Hospital at Kansas City, Kansas. He moved to Newton in 1946. When the Korean

## Jr. Red Cross Elects Office

Phyllis Hawkins was elected chairman of Junior Red Cross; Gene Schmidt, 1st vice chairman; and Mary Cook, 2nd vice chairman; Nodja Horn, secretary; Priscilla Koneman, treasurer; and Janice Darrow, program chairman.

This is the first year the Junior and Senior High have had their own separate council.

"The Junior Red Cross is a voluntary organization which does most of its work on the local scene, but also helps with the State and National programs," said Miss Marie Orr, sponsor.

Locally, they give programs and parties along with making Christmas tree decorations and tray favors for most holidays at the Old Folks homes and hospitals.

They also send boxes of crayons paper and sports equipment to St. Louis which are then distributed to disaster areas.

## Debaters Make Impressive Start

Three trophies were added to the Debate room's collection the weekend of October 16 and 17. Newton received trophies at the tournaments at Fredonia, Valley Center and Derby.

Bill Brown, '60 and Gwen Mor-

## P.T.A. Fund Night Is November Ninth

"Military drill, as demonstrated by girls physical education classes, will be one of the highlights of P. T. A. Fund Night," said Miss Wilma Lee, physical education instructor. The program will be November 9, from 7:30 p. m. until 9:00 p. m.

The program will also consist of demonstration from boys' physical education classes, the band, chorus, and drama department. There will be approximately 100 students participating on the program.

Tickets are 25 cents each and will be sold October 26, during third hour classes. During the evening, candy, pop, and coffee will be sold by the P. T. A. in Lindley Hall.

"The Purpose of the program is a fund-raising campaign for P. T. A. of Santa Fe Junior High and Senior High School," said Mrs. Dorothy Weas, president of the P. T. A.

and place victory by just losing one debate. Sharon Giesbrecht, '61 and Connie Godsey, '62, took fifth place at Derby.

Representing the squad in the experienced division at Fredonia were Susan Cain, '60, and Ed Nordstrom, '60. Jayne Loyd, '61,

## Okerberg Crowned Queen Koehn and Sills Attendants

The climax of Homecoming Week was when Nancy Okerberg

was crowned Homecoming Queen by Vernon Smith at the halftime of the Newton-Wellington game Friday, October 23.

## Newton Scholars Receives Pins In Assembly

"Scholarship achievement is the heart of the school; it's importance should be realized by all at Newton High," said Mr. M. D. Morris principal, at the scholarship assembly, October 17.

The assembly was conducted by Ed Nordstrom, Student Council President. He read the names of the honored students while Mr. Morris handed out the scholarship pins. Students eligible for a scholarship pin must have only 2 semester hours of B and the rest A.

Last year's seniors honored are Cara Lee Anderson, Roberta Barrett, Ann Burner, Martha Clark, Judy Dawson, Rosalind Enns, Anthony Epp, Carolyn Fitch, Marilyn Gertsen, Kay Gilchrist, Rebecca Humphrey, Ruth Jensen, Susan King, Jane Kliewer, Laveranda Kopper Floyd McHenry Carolyn Moore, Barbara Reeve, Judith Regier, Richard Remple, Mary Sue Sadowsky, Howard Schmidt, Robert Sweet, Bonnie Unruh, Judy Wedel, Marcy Welsh, and Albert Zavala.

This year's seniors who received pins were Susan Cain, Bob Cravens, Donna Dunlap, Richard Fast, Judy Graber, Gary Hoffer, Kay Kaiser, Joyce Koehn, Ed Nordstrom, Nancy Okerberg, Bob Osborn, Galen Peters, Rosalind Regier, Miriam Werner and Bob Woods.

Juniors who qualified included Rose Allison, Wanda Dilbeck, Becky Epp, Bill Getz, Roberta Hessler, David Klassen, Roy Koehn, Karen Krehbeill, Marty Lairmore, Rite Magnuson, Jeanie Niederlander, Brenda Olson, John Olson, Nancy Schroeder, Joan Thrasher, Ann Suderman, and Judy Woelk.

To begin that week, eleven senior girls were nominated by the football squad. They were Nancy Blosser, Carol Decker, Kay Hanna, Joyce Koehn, Julie McDonald, Nancy Okerberg, Dini Sills, Ann Simpson, Celia Vogt, Donna Wilson, and Hazel Wilson. From these girls, the student body elected Nancy Okerberg as queen with Joyce Koehn and Dini Sills as her attendants. The identity of the queen was kept a secret until the half of the game. Nancy is the daughter of Mr. and Mrs. W. M. Okerberg. She is the president of Y-Teens and, also, an usherette.

**Joyce, the daughter of Mr. and Mrs. Cornelius Koehn, is head usherette and secretary of the Senior class. Dini is the daughter of Dr. and Mrs. C. T. Sills and also a cheerleader.**

On Thursday, the student body participated in a pep rally. With the cheerleaders and band in the lead the students marched down Seventh Street to Main, down Main to Broadway, down Broadway to Ash, and down Ash to the Tenth and Ash park. The royal three rode in the back of a jeep driven by Jon Coleman. Behind the jeep was a hayrack with the football boys. A large bonfire at the park set the mood for cheers and a few words from Coach Coffman.

A special assembly was given, Friday, in honor of the three candidates. Lindley Hall's main floor was decorated on the "Autumn Leaves" theme and the school colors by Celia Vogt, Anne Simpson, Gary Hoffer, Martin Hall, Jon Coleman, and Diana Andrews.

Three girls wore white formals with white wrist gloves. Nancy was escorted down the aisle by Vernon Smith; Dini by Lynn Weas; and Joyce by Mike Rhoades. The royal entertainment was

City, Kansas. He moved to Newton in 1946. When the Korean conflict broke out, Dr. Myers served two years as a doctor in Korea and in 1952 he returned to private practice. His son, Martin, graduated from Newton High School last year and now is attending Phillips Exeter Academy in Exeter, New Hampshire. His son Kendall also graduated from NHS in 1956.

Bill Brown, '60 and Gwen Morgan, '61, debating the question Resolved: That the Federal Government should substantially increase its regulation of labor unions, won first place in the novice division at Fredonia against Coffeyville in the finals. In the novice tournament at Valley Center, Mike Roy, '61 and Paul Thomas, '61 gave Newton a sec-

Center and Derby. Susan Cain, '60, and Ed Nordstrom, '60, Jayne Loyd, '61, and Richard Guernert, '60, were in the novice division at the same tournament. The combinations of Bob Dickson, '62, Bill Mills, '62, and Jeanne Hull, '61, Rojean Westfahl, '62, also came back with good records from Valley Center. Bill Getz and Gene Schmidt debated at Derby in the experienced tourney.

Thrasher, Ann Suderman, and Judy Woelk. Sophmores who received the award for the first time are Bonita Allen, Robin Bruner, Virginia Coleman, Mary Cook, Susan Dillman, Linda Dyck, Carol Miller, Lynette Schmidt, Barbara Scott, Pam Skene, Kay Smith, Jay Spaulding, Rojean Westfahl, Marcia Willoughby, and Sharon Yost.

Weas; and Joyce by Mike Rhoades. The royal entertainment was presented by Charles Flowers, accompanied by Harvey Harms, both students at Bethel College. In accordance with the theme, he sang "September Song". "The Girl of My Dreams" was then sung by the mixed chorus under the direction of Miss Elvera Voth.

At the halftime the band formed a heart around the candidates and played "The Sweetheart of Sigma Chi" Mike Rhoades, in charge of the envelope containing the queen's name, slowly opened it to reveal the identity of the queen. The band then formed a big N and played the "Railroader Song".

After the game a dance was held in honor of the queen and her attendants at the National Guard Armory. The colors of orange yellow, brown, and green again portrayed the theme of "Autumn Leaves". In charge of the dance and decorations was Ro Regier. For entertainment, Jerry Lacy and Nancy Blosser sang accompanied by Jerry Killfoil and Jim Andres. Peggy Nebergall then did a pantomime of "A Good Man is Hard to Find."

## Hoffer and Nordstrom Scholarship Finalists

Gary Hoffer, '60, and Ed Nordstrom, '60, are semi-finalists for the National Merit Scholarships.

According to Mr. Alden Allbaugh, school counselor, "Gary ranks 241 among the contestants across the nation." Both boys will take the semi-final test in Wichita, December 5. High scores on this test will take the final examination.

Last year, Richard Remple and Nadine Prouty were semi-finalists but did not make the finals. Two years ago, James Graber completed the final examination and is now in his second year at Harvard on Merit Scholarship.

More than 550,000 students from 50 states and Puerto Rico took the preliminary exams last spring. Out of this group, 10,000 will take the final test in December. Joe M. Stalnaker, president of the National Merit Scholarship Corporation, which conducts the annual talent hunt, predicts that more than 95 per cent of the semi-finalists will enter the finals.

Each merit scholarship is a four-year award covering the under-graduate college years, and carries "an amount of money tailored to the need of the individual winner." In the past this amount has averaged about \$730 a year.

The Merit Scholarship Program is now in its fifth year. It was founded in 1955 with grants of

\$20 million from the Ford Foundation and \$500 thousand from the Carnegie Corporation of New York. Sponsors have thus far awarded over \$15 million worth of scholarships.

In the final phase of the competition, high school grades, extra-curricular activities, school citizenship and leadership qualities will be evaluated along with the test scores. The winners will be announced My 1, 1960.

If Gary and Ed get scholarships, they both plan to use them at Kansas University.

## New Music Group Formed at N.H.S.

A new musical organization has been added to Newton High School. It is the Girls Ensemble under the direction of Miss Elvera Voth.

The Ensemble includes twenty-one girls from sophomore, junior and senior classes.

The Girls Ensemble has sung for the Lions Club and the State Red Cross Banquet. Their future plans include singing for the Business and Professional Womens Banquet.

"Since the Girls Ensemble is small, it will be used for a lot of different things," stated Miss Voth. She added, "I think it is a very good group."

## Students To Elect County Officials

County Government Day will be held in Newton, Sedgwick, Halstead, Walton and Burrton high schools during the month of November. Students taking part in it will be those enrolled in government classes.

What is County Government Day? It was organized by the county American Legion to "make study of government more meaningful and interesting and to arouse more interest in county government."

After government classes study county government, they will elect county officers in each class. Those elected will receive a certificate from the American Legion.

In Newton High, each of the five classes will represent a county in their elections.

On County Government day, students who have been elected will go to Lindley Hall to elect a spokesman and proceed to the courthouse. When they arrive they will go to the office they have been elected. They will spend the morning discussing that office and the real official will demonstrate.

Lunch will be served at the Armory to the 90 Newton High students and about the same number from the other four schools. After lunch they will meet in separate groups to report on what took place in each office that morning.

The offices to be held by students are 13 elected offices and

5 appointed officers and a District Judge.

## The Countdown

Oct.

30—Newton vs. West, here

Nov.

2—Sophomores vs. Eldorado, there

4—Newton vs. Derby, here

5 and 6—Teacher's Meeting

9—P.T.A. Fund Night

11—Y-Teens General

Hi-Y Cabinet

13—Newton v s. Hutchinson, there

NEWTON HIGH ROYALTY—Queen Nancy Okerberg and her attendants, Joyce Koehn and Dini Sills.

# Halloween has Tradition of Tricks And Treats

The time of year for goblins and witches is here again. Little creatures will steal from door to door with that threatening remark "Trick or treat."

Remember when we all had fun "scaring" the neighbors, and stuffing ourselves for days with all the candy and gum we had collected? We returned home a dozen times during the evening to empty our treasures and strike out again.

It is time for the little witches and ghosts to come to your house. Remember, this is a children's holiday, so let's leave the pranks up to the children.

— D. W.

## Personality Girl

Red-hair, full of pep, and never, quite idle is a just description of our personality girl of the week, the head-cheerleader, Bev. Miller. In this year's senior play, Bev played the part of "Mrs. Schlen-

Bev Miller

bauch," a very powerful and domineering woman. Other activities of Bev's during high school years have been junior class treasurer and circulation manager for the Railroader this year.

In her spare time, which comes between cheerleading practice and studying short-hand, Bev says she loves to dance. Her favorite past time, however, is a three letter word. Guesses anyone?

Watermelon ranks tops on her foods list and if Rock Hudson or an Alfred Hitchcock production is on at a theater you can probably find Bev there.

Bev's life has always been crammed with embarrassing situations. Her most recent predicament was when she was caught lying on the floor all alone in a classroom trying to make Tom Sadowski, who was in the next room, hear her through a hole in the wall.

Bev plans to go to Steven's College for Women in Columbia, Missouri next year. She will

## Swap Column

by Evelyn Voth

"What in the world is the Exchange Corner?" is what you're probably asking yourself. Well, let's see if it can be explained.

The NEWTONIAN has received school papers from 38 different chols Cushing, Okla.; Shawnee-Mission North High; New London, Conn. (Coast Guard Academy); Cathedral Latin School in Cleveland, Ohio; Dodge City; Fairbry, Nebr. are only a sample of the places we receive papers. The Exchange editor is in charge of collecting these papers and of sending each of the schools a NEWTONIAN in return.

Most of the papers have cute little items that we'd like to pass on to you throughout the year.

The Kingman students are now singing a new "Musical Tale."

"MY PRAYER" is "I WANT TO WALK YOU HOME," "SWEET SOMEONE," 'cause "I ONLY HAVE EYES FOR YOU," "I AIN'T NEVER" "MOODY" when I'm "NEAR YOU," 'cause I've always "GOT THE FEELING . . ."

Have you ever wondered what was going on in the minds of both beau and belle when he asked her to go steady? Well, according to the Leavenworth PATRIOT:

He says: Will you go steady with me?

He thinks: I'll kick your head if you don't!

She says: Yes, I'll go steady with you.

He says: I'll get you a friendship ring.

She thinks: He'll probably lose my class ring.

He says: I'll give you my Hi-Y pin tomorrow

He thinks: I hope I can get it back from Shirley.

He says: I can't believe we are going steady.

He thinks: At least I've found someone to do my homework.

She says: I was surprised that you asked me to go steady.

She thinks: I was running out of hints.

break up with me just tell me, I'll understand.

She thinks: I dare you to !!!!

## Personality Boy

The dark - complexioned, black hair, senior boy who usually is found carrying a brief case is our personality boy of the week, Bob "Woodsey" Woods. "Woodsey", a

Bob Woods

name given to him by the football boys, is also the name of a dog who hangs around football practice.

"My biggest thrill came during the Wichita West game last year when Newton made West fumble eleven times and Newton recovered all of them," reminisced Bob, who is left guard and defense captain for the N. H. S. football team.

Serving rabbit for dinner to Bob is a sure way to get him to come. Then to complete the evening Bob's favorite way would be to leave him alone with his amateur radio or listening to his favorite recording star, Chuck Barry.

Bob admits that his most embarrassing moment was, "when I got divorced."

## Sophomore Reigns As First Queen

By Sandy Hale

"Once upon a time - -". That's the way most fairy tales about queens start, but our story isn't a fairy tale, it really happened.

Do you ever wonder who the queen was last year or maybe ten or twenty years ago? Did you even know there was a queen twenty years ago? Well, there

"It was the biggest surprise of my life! Everything was terribly exciting and I feel very honored," said Nancy.

As you looked back into home-coming history you can look forward also and wonder "Who will it be next year?" Perhaps it will

twenty years ago? Well, there was, in fact the first Homecoming queen was elected in 1938, twenty-one years ago.

In 1938, Betty Lee Dick, a sophomore, was elected queen by the football squad from five candidates chosen by the team. There were no attendants and the students didn't vote in the election.

Queen Betty's comment was "I think having a football queen is a splendid idea, and I believe one should be elected each year. I had a swell time." And the Queen's wish came true as all royal wishes should.

The second queen was Pauline Holmes. She was elected in 1940. There was no queen elected in 1939.

1942 was the year Queen Kathryn Ashbaugh reigned and for the first time the student body nominated the candidates by petitions, and 60 signers were required to make a petition valid. The football squad was not permitted to sign or carry petitions. The coronation ceremony was held at the halftime. Because of the war there were no queens elected in 1943, 1944, or 1945.

After the war, Norma Jean Wright was elected by the football squad in 1946 and Queen Barbara Rogers was elected by the student body in 1947.

For the last ten years the queens have been:

- 1948 — Shirley Dorey
- 1949 — Pat Waldron
- 1950 — Diane Darling
- 1951 — Edith Hershberger
- 1952 — Janice Dillman
- 1953 — Sharon Regier
- 1954 — Carol Schmidt
- 1955 — Molly Gomez
- 1956 — Judy Nordstrom
- 1957 — Janet Enns
- 1958 — Judy Wedel

Homecoming has been here a long time but this year's queen hasn't. She is Nancy Okerberg and was elected October 16, by the student body.

"It be next year?" Perhaps it will be the girl across the aisle or in front of you and if you're a girl, it could be you!

## Spirits Haunt on Halloween Night

Halloween isn't only an American custom but world-wide and has been around for a number of years.

In the 600's, the Druids, a group of priests in Gaul and Britain, had an autumn festival which they called "Smhain" (summer's end). This was the time for feasting on all the kinds of foods which had grown during the summer. Decorations using such articles as pumpkins, leaves, and cornstalks came from the Druids also. These people believed that spirits of all kinds came out to harm them on Halloween.

The Europeans had a festival similar to the Druids. Their idea was to honor all the saints on one day. They chose the day of Nov. 1.

In Scotland the ceremonies were in a more superstitious light. A popular belief was that children born on Halloween had contact with supernatural beings.

In earlier days in America harmless pranks were played but these soon grew worse. Sheds were overturned, windows broken, and property damaged. Because of this, restrictions have been put on the pranks played on Halloween.

College for Women in Columbia, Missouri next year. She will probably major in Fashion. Bev has hopes of becoming an airplane hostess. Think she will ever be a hostess on the same plane that Bob is piloting?

## Teacher of The Week

Thirty years of service at Newton High School is the record of our teacher of the week, Mr. Brooks Terry. (also known as Bree Wee by his second hour Trig class) He began his career here in 1929 and since has taught classes in physics, electronics, mechanics, and math. He also was coach of the Newton High Golf Team for about 15 years up until 1954.

This year Mr. Terry teaches two hours of Algebra I, two hours of Advanced Algebra, and one hour of first-semester Trig, and second - semester Solid Geometry.

Mr. Terry is the Head Sponsor of the Junior class. Some of his duties as sponsor are: the selling of Junior play tickets, ordering of class rings, head of class parties, "okaying" Junior class assemblies, and taking charge of the Junior Reception.

He received his Bachelor of Arts Degree at Bethel College, at Newton; and his Masters Degree at the University of Wisconsin. He is also a licensed engineer of the State of Kansas. He worked from 10 to 12 years as an engineer for the State of Kansas and two years for the Santa Fe Engineering department.

Mr. and Mrs. Terry have two children, both are N.H.S. graduates. His son, Frank Terry, is a graduate of Northwestern University; and his daughter is Mrs. Marguerite Morgan, a graduate of The University of Kansas, and is now teaching at St. Mary's here in Newton.

Now that his children are grown, Mr. Terry and his wife travel to Minnesota each summer in his house-trailer for their vacation.

She says: If you ever want to

He says: Say that you'll never break up with me.

He thinks: I'll break up with you first so I won't be embarrassed.

She says: If you ever want to

barrasing moment was, "when I got clipped in the Ark City game this year which gave me a floating rib, and I had to be taken out of the game.

He is not sure what college he will attend next year. His future plans are to be a pilot.

## Roundhouse Celebrates Its Fifteenth Birthday

By Norma Shuler

The first Roundhouse gathering was held on the evening of June 2, 1944 (when most seniors were only 2 or 3 years old!) at the YMCA.

There was a rather widespread movement at about that time throughout the country for the establishment of teen-age centers where high school students could gather socially. The formation of the Newton Roundhouse group was a part of that movement.

Originally, Roundhouse was held twice a week, on Tuesday and Friday evenings. With the passage of years and a drop-off in interest, Roundhouse started meeting only on Friday nights after home games.

Roundhouse moved from the YMCA to the City Auditorium several years ago when the group became too large to be accommodated in the "Y". Then, in the fall of 1957, Roundhouse started meeting at the National Guard Armory.

The name "Roundhouse" was adopted by the original group of students who started the organization because NHS students have always been known as "Railroaders," and because the city of Newton has always been an important Railroad center. A "roundhouse" is a railroad facility in which steam locomotives are repaired and at which railroad

workers gather to enjoy each other's company. Newton had a famous roundhouse, until recently when it was torn down.

The Student Council chose the following students for this year's Roundhouse committee: Rosalind Regier, Jon Coleman, senior representatives, Karen Krehbiel, Jim Endres, junior representatives, Becky Phillips and Bob Dickson, sophomore representatives.

Mr. W. M. Okerberg and the Newton Recreation Committee sponsor the organization.

"We would probably still hold Roundhouse two nights a week if students were interested enough in it to support the activity," said Mr. Okerberg.

Roundhouse is held after all the home football and basketball basketball games. The admission is 15 cents per person or 25 cents a couple.

Sophomore through senior students and their dates are welcome.

The Roundhouse committee is planning a dance or sock hop in the early Spring. "We would appreciate the student' opinions on having other dances throughout the school year other than Roundhouse," stated Rosalind Regier.

## THE NEWTONIAN

First Class Rating

National Scholastic Press Association

Entered as second class matter October 1, 1930 at the post office of Newton, under the act of March 3, 1879.

Official publication of Newton High School, Newton, Kansas. Published bi-weekly except during vacations and holidays. Single copy, 10 cents; year's subscription 75 cents.

## In and Out with N.H. Monitors

Everyday come rain or shine, you will see a girl slip into your classrooms and pick up absence slips and then quietly slip out again. This is only one of the many duties of the fifteen monitors chosen this year.

Last spring, Hazel Wilson, '60; was elected as head-monitor. She then picked the monitors, with M. D. Morris, principal, assistance. The monitors chosen for this year are: Jackie King, '60; Johnnie Kay Janzen, '61; Peggy Nebergall, '60; Gwen Morgan, '61; Sharon Blasier, '60; Jean Thomas, '60; Adelyn Waltner, '60; Judy Gronau, '61; Sharon Daub, '60; and Wilma Gerger, '60.

Besides picking up absence slips at the beginning of each hour, other monitor duties include reminding any student of his misconduct in the halls while the monitor is on duty, help to direct traffic between classes, offering to guide and direct visitors, and

taking slips from the office to the class rooms.

Not exactly in the line of duty was an experience that happened to Peggy Nebergall.

"While I was on duty on third floor, two boys from Ohio interviewed me for a book they were writing," laughed Peggy.

## Nov. 8 Is The Day

"Praise and appraise your schools", is the theme of American Education Week, November 8-14. Across the nation celebrities are speaking up for the schools of America and urging participation during American Education Week.

The objectives of this week as stated by the National Education Association: are for parents to inspect schools, and for other community citizens to become acquainted with the schools and their personnel.

## Who Wants A Football Hero?

By Donna Wilson

Girls, here's a short course on how to catch a football hero. "Playing dumb" may be all right around some boys, but most boys want their dates to be smart on the game of football. Here is a "briefer" to help you understand the arm-waving done by the man in stripes, or as he is known officially, the referee.

**Offsides**, encroaching or free kick violation: Referee places his hands on hips.

**First down**: arm raised, then pointed toward defensive team's goal.

**Penalty - refused, incomplete pass, play over, or missed goal**: lifting of hands in horizontal plane.

**Touchdown, field goal or successful extra-point**: both arms extended above head.

**Holding or illegal use of hands or arms**: grasping of one wrist at chest level.

**Clipping below waist**: personal foul signal followed by striking back of calf with hand.

**Clipping above waist**: personal foul signal followed by striking back of thigh with hand.

**Time out**: hands criss-crossed over head.

**Referees' time out**: same signal followed by placing of hand on top of cap.

**Illegal motion at snap**: Horizontal arc with either hand.

**Unsportsmanlike conduct**: Arms outstretched, palms down: same signal means continuing action fouls are disregarded.

**Penalty - refused, incomplete pass, play over, or missed goal**: lifting of hands in horizontal plane.

**Interference with players catch of forward pass**: pushing hands forward from shoulder with hands vertical.

**Delay of game or excess time-out**: folded arms.

## Junior Hi-Lites

By Bruce Kaufman

Chisholm Junior High solved its parking problem by appointing three traffic patrolman; Larry Spencer John Hale, and Wayne Venso. These boys leave school at the first bell at noon and after school to direct the parents coming after their children. It's especially bad on rainy or cold days, so they worked out a system of parking them in four lanes and keeping them moving.

Chisholm now has a new school song, composed by Mr. Gary Fletcher, the band instructor. It is sung to the tune of "The Old Chisholm Trail".

Come along gals,  
and come along guys;

Let's cheer those mustangs  
To the skies!  
Come a ti, yi yippy, yippy,  
yay, yippy yay

Seventh and eighth grade intramural football teams finished their season last week.

There were four 7th grade teams, two from Chisholm two from Santa Fe, and two eighth grade teams from each school.

The Santa Fe coaches were Mr. Alden Strattan 7th grade, and Mr. Ray Young, 8th grade. Mr. Clarence Linsey coached 7th grade for Chisholm with Mr. Charles Jackard, coaching 8th grade.

These boys played 11 man football with complete tackle uniforms. They play a single round robin schedule of three games finishing the season with an all-star game.

All games are played under full game conditions with the officials and coaches being assigned from the faculty by the school principals.
