March of Dimes Contributions Promote Research

By Bruce Kaufman

Your contributions to the new March of Dimes will make possible a program aimed at increasing the numbers of vitally needed health workers. Your contribution may also make possible for you or one of your friends to study for a rewarding career in nursing, occupational therapy, physical therapy, medical social work, or medicine.

This spring, over 500 college scholarships, each of them totaling $2,000 over a four-year period, will be offered to high school and college students in each of the 59 states and District of Columbia, Puerto Rico, Virgin Islands and Canal Zone.

These scholarships are apportioned geographically, according to population. The highly populated states may receive as many as 25 scholarships; five for each profession. No state is offered less than five. Winners may attend any accredited school in the United States.

Application blanks and detailed information will be available after the middle of November from Mr. M. D. Morris, principal or the head of any accredited college, high school, or guidance service.

NHS Debaters Take First Place at Salina

On display in room 308 is a magnificent 30 inch first place debate trophy. This symbol of success was captured by Ed Nordstrom and Bill Getz at the two-day invitational Salina Debate Tournament last weekend.

To make this trophy harder to attain, the tournament sponsored quarter-finals, besides the stand and semi-finals and finals. Entering the quarter-finals all teams flip a coin for sides (affirmative or negative.) Newton drew the affirmative side for the quarter-final, semi-finals and finals.

After the quarter-finals were announced, Salina debate Coach Mibeck stated the winners of the semi-final would be kept secret so each of the four teams did not know whether they were debating for first or third place. This definitely added to the suspense of the tournament. A tired but happy team (after six rounds of debating) accepted the wood-trimmed gold trophy, both agreeing "it was well worth the effort".

Also attending the Salina tournament was the team of Susan Walton and Susan Cain who had an impressive 5-1 record. Newton was the only undefeated school after the first round up of the sixth round when the Walton-Cain team lost a split decision to Ellsworth. Mrs. Alam Moore, debate coach, accompanied the teams.

Before the official opening of the tournament were entertained by the Salina Madrigals who sang selections from "Brigadoon" and "Amahl and the Night Visitors" in Salina High's beautifully decorated auditorium.

Gail, a recent development on schools has been the field of guidance services," said Alden Allbaugh, NHS guidance counselor. "Newton has had a part-time guidance counselor to help a person solve his own problems. He said he tries to aid the students make their own decisions. The fourth type of guidance is the placement service which helps students take their part in future.
guidance services," said Alc Allbaugh, NHS guidance counselor. "Newton has had a part time guidance service for four years but this is the first year it has been a full time program."

Developed for the benefit of students, the guidance programs of schools belonging to the North Central Association are divided into five sections.

First the student inventory service attempts to gather information about individuals from tests or academic records to aid a student to gain information about himself. Then, occupational and educational information concerning possibilities after high school graduation, is made available to all students interested.

Counseling is the most prominent service offered at Newton at the present time since the program is relatively new. Mr. Allbaugh explained that there was a difference between a counselor and a counselor. An advisor's job is to suggest what a person should do, whereas a counselor's job is to guide a person to find out what they want to do.

One way of telling that Christmas time is almost here is by looking at the white gifts that the Y-Teens have left in Miss Edith Whitted's room. Miss Whitted is the head sponsor for the Y-Teens. Social Science For several years Y-Teens members have brought perishable foods wrapped in white paper to be given to a needy family.

Out of this tradition came the name of "white gifts." In the basket the gifts will be surrounded by the meat and bottles of milk which are bought with the money donated by the Y-Y clubs. The basket will be taken to the family by representatives of the Y-Teens and HI-Y clubs. The name of the family was obtained by Ann Suderman, chairman of the Worship Committee.

The Y-Teens' and HI-Y's are hoping this basket will bring some extra Christmas cheer to the family and increase the true meaning of Christmas for many people.

Leland Moore Attends Kansas City Meeting

Mr. Leland Moore, Social Studies teacher, spent Thanksgiving vacation in Kansas City attending the National Council of Social Studies.

This was the Convention of Social Science Teachers of Colleges, Junior High and High Schools throughout the nation. Speakers representing all three education levels discussed the main theme: The adjusting and development of the social studies curriculum to meet the demands of youth and society.

An active member of the Council for twenty-five years and the Newton only representative, Mr. Moore stated that emphasis on social studies has increased steadily in the nation's schools.

"Mrs. Moore and I had a wonderful time," he said, "the convention was not only interesting but we were also fortunate enough to see "South Pacific" which was most entertaining."

Mr. M. D. Morris, principal of the head of any accredited college or high school, or guidance or scholarship officials.

The county chapter of the National Foundation on the National Foundation Health Scholarships, 800 Second Avenue, New York, will furnish the necessary information.

It would be wise to start assembling all of this information as soon as possible after the month of November, for all applications and other necessary papers must be mailed to the National Foundation, Health Scholarships office by April 1, 1960.

"Now what did I do with those pictures?" is a familiar cry of Miss Nancy Mallory, the journalism teacher. Of course, this only happens during 6th hour when the Railroader staff is busy working.

December 1st, 25 pages of the annual were sent to Myers & Co. of Topoka. Included in this section are senior pictures and activities.

That's only the beginning of the Railroader. There are two more deadlines to meet on February 1st and March 1st. The annual is expected to be delivered to the students the 2nd week of May.

Girls Display Unusual Talents

Anybody looking for a reindeer, candles and cookies? says Mrs. Gordon, Home Economics teacher. The Home Economics room seems to have turned into a workshop. The girls are busily making center pieces, toys, and other Christmas decorations. The toys are made of cotton, yarn, and other materials. Most of the gifts are making center pieces out of starlight, candles, ribbon, spun glass, evergreen sprigs, sugar cubes, candy, marshmallows, tin foil, mirrors, miniature figures, paper, toothpicks, and paint.

Sugar cube houses, candy reindeer, popcorn trees, marshmallow castles, and cookie Christmas trees are among the many center pieces made of food.

Each girl is in charge of a project. The ideas must be original. However, many of the ideas can be taken from various magazines. Each girl must also furnish her own materials.

Helen Willems, '59, and Jean Dombrosky, '60, are making toy octopus out of yarn. They each used a skein of blue and a skein of white yarn. They covered a large rubber ball with the yarn, and then divided the remaining yarn into five braided sections tied at the neck and feet with blue ribbon. They features of the faces are made of blue, black, and pink embroidery floss.

"The last few days remaining before Christmas vacation are going to be spent making Christmas decorations," says Mrs. Gordon.

ONE MORE BOW and my Christmas decoration will be completed thinks Patsy Walker in her Home Economics class.

Meet Deadline

A split decision is when both sides divide the speaker ranks evenly—land 4 and 2. Newton was also the defending champion at Hutchinson for the Mary Welch and Darla McMillon won first place last year.

Beginning teams of Jayne Loy and Gwen Morgan had a 3-3 record and a three speaker team of Paul Thomas, Connie Godsey, and Mike Roy had an impressive 4-2 record.
New Year’s Resolutions
Date Back to Early England

The New Year’s resolution had its origin in the
to the individual, in which he might
do as he pleased. What was already passed, he put out of
his mind, for it was something over which he had no
control. The new year was a period of promise.

In ancient England it was a custom to clean out
chimneys on New Year’s Day so that luck could descend
and, of course, remain all year. With us it is a custom
to speak of “cleaning the slate” (of life) and making
resolutions in order to keep the “slate” clean. A New
Year—a new life!!

The following poem, Tho’ought For A New Year, is
by Gail Brook Burkert, and has a thought for all of us.

“Old worry, prejudice, defeat and fear
Hemmed like a cast-off weary load outside
The shining portal of another year.

With the holiday season approaching, our hearts
are light and our hopes and “youthful whims” are
strong. Let us not forget to remember long ago when
the one bright star gleamed victoriously over a humble
mighty manger bed. When the year 1960 comes’
will find the miles ahead are always best.

May your Christmas really be bright and your
New Year a new life!!

Who have made these past school years, a world of fun and
Kay, . .

First of all I would like to say,
Dear Santa,
I have let several years go by without dropping the “jolly old
man” a note. So this year
I decided to get on the “ball” and
write my annual letter.

When
Santa Claus is a symbol of Christmas all over the world. He
not only lives in the hearts of youngsters but elders as well.
What was once an annual event to write a letter to
Santa Claus and tell him what I wanted for Christmas. It seems
I have let several years go by without dropping the “jolly old
man” a note. So this year I decided to get on the “ball” and
write my annual letter.

Dear Santa,
First of all I would like to say,
Please help me on this Christmas
day.

It just seems like Christmas
wouldn’t be complete
Unless you could find me some­
one new to meet.
I am not too particular what
height, weight and size just
Now, if you can’t find him any­
where, I am sure I could settle for a
new Covair.
A car is a must in any girls
book
Ask the parents, they say
they’ve been too.
To get right down to it, my
closet is bare.
I need so many clothes, includ

Merry Christmas and thanks to Scotty and all the
card senders.

Merry Christmas! Enjoy your vacation!

Merry Christmas To My Buddies—The Police Department!

Merry Christmas Miss Voth,
From the Bad Boys of 3rd Hour

To Darlin’ Karen and Darlin’ Darlene,
Merry Christmas! Watch the parties and the tall Texans
and those Windfield characters.

From your friend,
Lori Dori

Greetings to my dear friends

May all the best of Christmas, and joys of the New Year
light a little sunshine to fill your lives with cheer.

The Twins
Xmas Greetings to Glenda, Pat, Karen, the Saturday after­
noon gang.

"Dear Larry, Kenny, Gary, Vic, Donna, Norma, Pat and
Johnny Kay;
Chu, Chu, Chu! It’s gotta be around here somewhere!
What Sharks?"

"Dadda Pizza Nut"

"Merry Christmas Norman Brown — Nose, Twinkle,
Lose Roux!

Merry Christmas to a gal

Merry Christmas to the class of “61.”
From The Junior Boys.

The help at Grubbs Service Wishes the Senior Class a Merry
Xmas and a Happy New Year. Especially Liz Claassen.

To those “concerned?":
This is the season for being real keen!
But remember the streamers at Halloween?
Also the "stripes" down south for a bug.
And the dizzy times in the little white bug!
From our guardian angels (?)

Everyone:
Merry Christmas (its cheaper than sending Christmas cards)
Scotch

Merry Christmas to Cutie and to the 280 pound monster.
Vampire and Judy

To a big, handsome, curly-haired, brown eyed chemist in 1st
hour Chemistry:
Two admirers in 1st hr. chemistry.

P. S. Don’t be suspected but you know it is you, Roy Koehn.
A very merry Christmas to Chuck Atlas and his prodigy
whom she is trying to get in shape.

One who thinks it’s hopeless
Best wishes for a Merry Christmas, Happy New Year and a
successful January to my worthy colleague who has an affinity
for carrying three brief cases.

To the Junior Girls
When Santa brings a new supply of Junior girls in—we'll
be back, maybe. As of now we like the Senior girls! Merry
Christmas, too!

The Junior Boys
To a real "stod" Senior lad—
Merry Christmas and holiday cheer
To one who is to me very dear.

Gary Rowland
Sometimes too young,
Sometimes too old,
When you're just right
You'll never be cold.
A fellow worker

To Prudy
Merry Christmas to a gal
who I couldn't be without in 5th
hour.
Yours till I'm someone else,
Elrod
To my ex-ex-
Merry Christmas to you an
d happy Anniversary too!
Your Ball and Chain
Kay,

Merry Christmas Tootsie,
you may be looking forward
May 29!

Sharon

Barney,
A Merry Christmas and a
"whis" going on the "ing to you.
Pat:

A Merry Christmas and a

Black Diamond

Pat:

Have you fallen in love yet?
Joan

Yes, yes anytime!
Pat

Norma,
Look out for the sharks!
Pat

Hi Prikey,
Let’s watch those milkmen
they do.

To Home Base,
Merry Xmas to a patient
someone who is most under­
standing.

Love
Ed Nordstrom
Wow!! Merry Christmas to
You!!

Little Lu Lu

Judy,
Milking at six is an awful
habit to get in but Merry Xmas
anyway.

The Victim

Happy Ground Hog Day.

Kent

Bobbie:
Hope Santa Brings you a
Senior boy of your own!

Senior

Dear Santa:
Please send us the boys pep
club for Christmas!

The girls pep club

Dear Mrs. Heitzel,
Sometimes we’re "chirubs",
Sometimes we’re "devils".
Whatever the case,
You’re always loved.

D. S.
December 25

Birthdays

Besides celebrating Christmas, three Newton high students will also be celebrating their birthdays on December 25.

On this day of good will toward men, the stars say you will bring joy and cheer to others. However the stars warn against over-indulgence in any one activity. (This must mean not to eat too much turkey.)

For the future, the stars point out financial success and popularity. The stars also show you will choose a mate who likes to travel. You will retire successfully and happily after a busy life.

Your birthstone is the Garnet, a semi-precious gem, famous for its power to ward off lightning and save the wearer from being poisoned. The gem is also said to cure headaches and soothe away troubles.

Merry Christmas to Bree Wee and all the gang in his Algebra classes.

To our dear Ground Hog, Who got confused and thinks she’s a momma Bunny.

From fourth hour

Dear Mr. Clause, Please bring the senior girls some new Senior boys so that we Juniors can have our supply back—so the sophomores won’t be lonely.

The Generous Juniors

P. S. Watch our Sophomore boys!

To our favorite playground, He brings to class his favorite gear—Takken from his green John Deere.

Four Hour Physics

To Wiggles: Merry Xmas and Happy New Year, Ding Dong Darmit, Chat! Chat! Chat! H’lo Honey

Your lover

Aster 1 and 2, Merry Christmas to you a ———— New Year too!

Aster 3

Cheerleaders 2, 3, 4, 5, 6, 7, and 8, I hope your Christmas will be gay We shall have practice every day!

MERRY VACATION

The grip

To Bree Wee “Maverick” Terry, We’d buy you a Xmas present If you would return your Winnings from the last poker game.

Second Hour Trig

To Click and Willie Merry Christmas and a Happy New Year. Best of Wishes to the two that had a——— Lori

Thespians Elect Officers

Newton High Thespian club has elected officers for this year. Officers are Susan Walton ‘60-President, Donna Wilson ‘60-Vice-President, and Carol Decker ‘60-Secretary-Treasurer.

With a flourish of the trumph the President, Donna Wilson ‘60-Vice-Group, Clubs crowned Jay Spaulding and Karen Perry ‘60-King and Queen. Miss Marie Orr, art Thespian Club this year,” commented Susan Walton.

NHS Displays Christmas Cheer

Newton High School is beginning to have the Christmas look. To greet the student as he enters the building is the bulletin board bordered in tinsel with two big candles surrounded by poinsettias. This was the project of the Y-Teens.

By any chance the student is sent to the office he is still greeted by Christmas cheer. The centerpiece made of plaster with candles and colored balls stands out to his notice.

In charge of the decorations in the halls is Miss Marie Orr, art instructor.

comfort

Latin Club Crowns King and Queen

With a flourish of the trumph the Chisholm and Santa Fe Latin Clubs crowned Jay Spaulding and Barbara Hathorn ‘59-King and Queen last Thursday night at Chisholm Junior High.

Other candidates for the queen were Connie Godsey, Jane Roberts, Karen Perry ‘60-Robin Bruner, Susan Dillman, Earlene Lynch, Julia Taflia, Dororthy McKenna and Connie Myres. They were escorted by the candidates for the king were David Okerberg, Matt Canzneri, Pat Sizemore, Robert Stauth, Jeff Ault, Richard Sims, Charles Graber, Russell Covey, and Charles Craig.

**Railers Tromp Demons, Hawks**

In a non-league school basketball test at Parsons, Dec. 5, the Newton Railroaders went down to defeat in a chaotic last quarter in which Newton fell short of pulling the game out of the fire by just 2 points, 39-37.

It was the season opener for the Railers (0-1) and the second for the Parsons in two consecutive nights, who are now (2-0).

The Vikings, led by Rusty Mullins scoring 12 points, got 11 field goals—same as Newton but cashed in 17 free throws to pull their narrow decision out of the fire.

Newton, which had a bad time holding on to the ball, was paced in the scoring column by Vernon Smith and Jerald Franz, who played much of the game, scored 10 points each and captured a number of vital rebounds to help the Railers in their last minute struggle to win their first game.

Newton was never in front at the period stops and trailed by as much as 9 points in the third stanza. Scores at the end of the quarters were 9-8, 22-22 and 36-34. The Railers were in high spirits (even though they lost to Parsons) and proved it by winning over Dodge City. The Railers led all the way and the score by quarters was 27-14 1st, at half it was 37-34, at 3rd 41-25, and won the game with the score 54-34.

Vernon Smith was high point man with 13 points and Charles Mayberry behind with 12, while Jerald Franz scored 9. Hibbard was high point man for the Dodge City Demons with 11.

After tip off at half, a technical foul was called on Newton to cause a little excitement after half.

The Salt Hawks came to Newton Dec. 11 with the sign: "Defeat the Railroaders", but the Railroaders stayed right on the track for a 54-30 victory.

The Railers took the lead from the beginning and never gave it up. They racked up 14 points to Hutch's 6 in the first quarter, then completely took the game away in the second frame. In the first half, Newton hit 39 per cent of its shots and led 34-18.

In the second half, Coach Weston Johnson gave the first team a rest and substituted the remaining players freely throughout the half, as Hutch was never closer than 14 points the whole last half.

---

**Newton Groaners Begins Its Season**

The Newton Wrestling team plans to take on the "groaners" from Kansas, El Dorado, and Hutchinson High School in its next three matches.

"Not too much is known about the Kinsley team, except that they will probably provide a tough match, as all matches are," stated Coach David Winters.

El Dorado is said to be extremely tough in its 127-pound and 180-pound classes. Their two classless men starters in these two classes are Wiltich and Baughman, respectively. El Dorado took fourth place in the West Invitational tournament held on December 11th.

Hutchinson, another team that participated in the West tournament and took second place there, has had wrestling teams for the last four years, and promises to be one of the toughest squads faced by the Newton High School wrestlers this year.

---

**NHS Wrestlers Twist Emporia**

By Gary Raffety

Newton High School grappers looked good in their match last night in the Lindsley Hall Dec. 10 with Emporia, as they literally walked all over their opponents 35-11.

The Newton wrestlers won handily eight of the eleven matches. With five points given to Newton by forfeit, the Railroaders racked up 35 points with three quarters conceding eleven points and one fall to Emporia.

Newton won its share of falls, Senneda, 121 lbs., dropped his opponent in 2:35 of the third period. Perez, 133 lbs., pinned his opponent in the third period. Sadowski took his man down fast and pinned him in 1:44 seconds of the first period.

This match was summed up by Coach David Winters as "The easiest match we will probably have all year."

The results are:

95 lbs., Emporia forfeited; 108 lbs., Martinez, N. 5; Cop, E., 0; 120 lbs., Lindsey, N.; 1; Tucker, E., 3; 127 lbs., Gils, N., 3; Hiller, E., 0; 133 lbs., Perez, N., 5; Rider, E., 0; 138 lbs., Goldsmith, N., 3; Helstrom, E., 0; 145 lbs., Schorn, N., 5; Hopper, E., 0; 154 lbs., Sadowski, N., 5; Penny, E., 0; 165 lbs., Locke, N., 0; Witte, E., 5; Solis, N., 3; Burris, E., 0; Heavy Weight, Ault, N., 0; Payton, E., 3.

Wrestling

"This year wrestling team has vastly improved," said Coach David Winter, Physical Education teacher and Rauler Wrestling Coach. "We are experienced in six weights but otherwise the team is young and inexperienced.

This is wrestling's second year at Newton High School since in the early 1940's. Under Coach Winter, who graduated from Kansas State University in 1956 and taught two years at Cliffs, Kansas, the wrestling squad had a find first year. Now six returning lettermen: Henry Sanseda '60, John Geis '61, Bob Schorn '60, Mike Rhodes '60, John Solis '60 and Tom Sadowski '61 are expected to do even better.

"'Twas a few weeks 'fore Christmas and all thru the town

People were shopping all around!!
